PRESENTING JEWEL CREST

Quintessentially luxurious residences by the Jewel Group.

Promoted by the House of **Bherumal Shamandas Jewellers**, Jewel Group has been a name associated with sophistication and ingenious development since its very inception.

Established as brand synonymous with quality and trust in the jewellery trade, the company has steadily been scaling new heights in the real estate business as well. Two of its iconic landmarks in the retail space – The Jewel Square Mall (Pune) and Jewel World Mall (Mumbai) have been in keeping with the company's vision of innovation and a deep sense of commitment to its customers.

Jewel Square in Koregaon Park was the first ever mall in Pune to bring celebrated retail brands under one roof. Jewel World is an award-winning development, one that transformed the legendary Cotton Exchange building in Zaveri Bazaar (Mumbai) into a state-of-the-art retail space for reputed jewellery brands. Additionally the group has developed several commercial and residential ventures across several prime locations in Pune.

Jewel Group is now launching its landmark residential project - the Jewel Crest in Mahim, Mumbai.

The project promises to be a one-of-its-kind development – yet another milestone in the company's unwavering quest for excellence.

THE CREST OF **BELONGING**

Be part of a community within India's busiest metropolis.

Once the glorious capital of the 7 Islands of Bumbai, Mahim has a history both rich and remarkable. Today it forms a bridge between the Southern and Northern parts of the city and life here is a potpourri of Mumbai's past and present flavours. This is a neighbourhood where children still play outdoors, senior citizens get together in the evenings and familiar faces are always greeted with a smile.

This is the neighbourhood that has retained the charm of old world Bombay.

So come, live the experience.
